

Given the evolving developments that have occurred over the last few days regarding the COVID 19 virus, OEA Choice Trust has decided **to cancel the 2020 School Employee Wellness Conference scheduled for March 22-24th in Bend, Oregon.**

To all our registered attendees and partners, we want to thank you for your patience and understanding as we continue to monitor the COVID 19 situation and Oregon Health Authority recommendations. We are striving to make the best decision in the interest of everyone's health and well-being.

We have a lot of work to do to cancel all the commitments that go with putting on a statewide conference that also brings people from outside the state of Oregon. We appreciate your patience in advance as we work through some of these issues.

Please remember to cancel any travel arrangements you have made, such as hotel reservations at the Riverhouse and Red Lion Inn on the Deschutes. Cancellations need to occur 72 hours before the check-in date to avoid being charged any fees.

Please do not worry about cancelling your registration for the conference. OEA Choice Trust will coordinate registration cancellations with the registrar (The Beatty Group).

We know that the ability to network with your colleagues, learn from presenters, and rejuvenate together has been a source of inspiration and support over the past 8 years. We are very disappointed to not be able to provide you with the opportunity to join us in Bend. This said, we look forward to planning next year's 10th Annual School Employee Wellness Conference and hope that you will attend next year.

With Kind Regards,
