

# Introduction to Birding

w/ Brodie Cass Talbott

Spring 2021

## RESOURCES

### General bird information:

[All About Birds](#) - The bird guide of North American birds from the Cornell Lab of Ornithology

[eBird.org](#) - User-friendly database of bird sightings and locations

[What's this bird?](#) - A Facebook group that crowdsources identifications of birds from photos, video, or audio

### Oregon birding locations and resources:

[Portland Audubon](#) - Portland-centric birding resources

[East Cascade Audubon Society](#) - In-depth guide to birding locations for every county in Oregon

[Oregon Birding Association](#) - A collection of resources for Oregon birders

### Apps:

[Merlin](#) - A field guide and identification aid for beginners

[eBird](#) - a free app to record your sightings, which also loads them into a community science database (accuracy matters!)

[iNaturalist](#) - A different type of community science app that allows users to affirm identification from AI and other users, mostly based on photos

### Other resources:

[ABA code of ethics](#)

[Portland Audubon Nature Store](#) - Your one-stop shop for all bird-related books, feeding supplies, and more

### Movies:

[The Big Year](#)

[Birders](#)

[A Birder's Guide to Everything](#)
