

Education Employee Health and Well-being Needs and Interest Survey

This is an anonymous survey to better understand the specific health and well-being needs and interests of all staff. We are seeking your feedback to help us plan and shape an education employee well-being program that is meaningful and engaging to staff. By gathering your input, we can help develop a program that empowers you to achieve your personal and professional health and well-being goals. Please be candid with your answers to reflect your thoughts, ideas and experience. Only collective results will only be used and reported to plan and implement an education employee well-being program at our organization.

1. How interested are you in participating in an employee well-being program at work?
 - a. Very interested, sign me up!
 - b. Interested, tell me more
 - c. Maybe, it depends on what I have to do
 - d. Not interested right now

2. What time of day would be most convenient for you to take part in well-being program activities?
 - a. Before school/work
 - b. During the school/work day
 - c. Right after school/work
 - d. During week day evenings
 - e. Weekends

3. How would you prefer to receive information regarding well-being activities, events and updates? (Check all that apply.)
 - Hard copy materials (newsletters, flyers, memos)
 - Email messages from wellness coordinator/team
 - Announcements from leadership
 - Wellness website
 - Wellness champions at my worksite
 - Staff meetings
 - Staff room bulletin boards
 - Social media such as Facebook, Twitter
 - Other, please specify: _____

4. What barriers would keep you from participating in an employee well-being program at work? (Check all that apply.)
 - Inconvenient time or location
 - I don't feel I have time in my personal schedule OUTSIDE OF WORK to take part
 - I don't feel I have time in my schedule AT WORK to take part

- I am concerned about others knowing about my personal health
- I don't think my leadership would be supportive
- I already exercise and eat healthy on my own
- I am just not interested right now
- Other, please specify: _____

5. If you are not interested in participating in an employee well-being program, which, if any, of the following factors would motivate you to be involved? (Check all that apply.)

- Incentives (gift cards, food, prizes, etc.)
- Child care at wellness meetings and activities
- Support from leadership
- Encouragement from coworkers
- Employee personal health and well-being success stories
- Dedicated time during the work day for activities
- The program activities and events are relevant to my personal health needs
- Learning more about the employee well-being program
- Other, please specify: _____

6. Please indicate your level of interest in the following health and well-being topics:
